

GENERAL FIELD TRIP PERMISSION FORM

Because Maine winters can be very long and cold, we often like to take advantage of the beautiful comfortable outside days of fall and spring. Therefore, I am requesting a general field trip permission form for teacher-supervised walks, educational experiences, and activities that may take place within walking distance of the school. Field trips requiring transportation to a site outside the immediate area, or field trips of a more comprehensive nature will require an individual, detailed, signed permission form.

Please complete this form and return it to the School Office. Only one form per family is required for the "General Field Trip Permission".

I have read the correspondence regarding "field trips" within walking distance of Cathedral, and I give permission for my child/children to participate.
